

Gilead Institute & Free SDA Campmeeting—2015

@ Red Top Mountain State Park, Cartersville, GA

Main Speakers:

Pastor Hal Mayer has been Speaker and President of Keep the Faith Ministries since 2004. Since then he has traveled the world and become known as a source of information on current events. He produces a monthly CD, as well as weekly emails, dealing with current happenings in light of prophecy. Pastor Mayer also has recently taken on the additional responsibility of managing two lifestyle centers in Australia. He has a long experience in self-supporting work, and he enjoys teaching biblical history.

Pastor Jeremy Stone is the Director of Banner of Truth Ministries and pastor of The Open Door Free SDA Churches. He answered the Lord's call to full-time ministry over 20 years ago, and from that time on has labored to establish churches upon biblical principles of gospel order, provide pastoral care, and give practical instruction in simple, yet effective, methods of outreach. Pastor Stone and his wife, Stacey, work together teaching and counseling from God's Word and promoting medical missionary work.
